PMF Launches PlayON! Fund To Assist Festival Musicians Through COVID-19 Financial Crisis

Dear Friends of PMF,

Yesterday afternoon, the Peninsula Music Festival officially launched its **PlayON!** initiative aimed at funding stipends for each member of the Festival Orchestra to assist in the financial recovery efforts caused by the coronavirus pandemic. The fund will be equally distributed among the musicians and is intended to support immediate essential needs such as food, rent/mortgage, utilities, phone, and car payments.

To kick-off this important initiative, I'm happy to announce that PMF will match 25% of each gift received through July 1st; so please, grab your card, visit our website, give us a call, or follow this link to **GIVE NOW!**

Thank you for doing what you can to help those who have brought so much to Door County and shared their talents with us over the past 68 years!

Christoph Ptack
Executive Director
