Dear Friends of PMF,

**As of October 1, 2021** - the Peninsula Music Festival will require proof of full vaccination for patrons 12yrs and older at all performances being presented during the 70th Anniversary Season. In the absence of vaccination proof, a negative COVID-19 test taken 72hrs or less to the scheduled performance time will be accepted.

Additionally, all patrons, regardless of age, will be required to wear a mask while inside the venue and for the duration of performances. Should conditions improve allowing for protocols to be relaxed, we will notify you via email the week of the concert.
