PMF Re-Launches PlayON! Fund To Assist Festival Musicians Through COVID-19 Cancellations

Dear Friends of PMF,

The Peninsula Music Festival has officially re-engaged the **PlayON!** campaign to provide each member of the 2021 Festival Orchestra with a stipend of compassion. Aimed at helping our musicians through the continuing financial hardships brought about by the pandemic, the fund shall be equally distributed, and assist with essential needs such as food, rent/mortgage, car payments, and utilities.

To kick-off this important initiative, I'm pleased to announce that PMF will match 25% of each gift received through July 1st; so please, grab your card, visit our website, give us a call, or click this button to **GIVE NOW!**

Thank you for doing what you can to help those who have brought so much to Door County by sharing their talents with us over the past 69 years!

Christoph Ptack
Executive Director
